Application for Breeder Identification Number

Anyone applying to register a litter of puppies must first be assigned an identification number. Breeders who distribute their own puppies may use their breeder ID number. Breeders who also engage in the distribution of another breeder's puppies must apply for a **Distributor ID number**.

EVERYONE at this business/household/residence/address will be assigned the same identification number for use with America's Pet Registry. List below the names of all persons who have an ownership interest in any dogs that may be used for breeding purposes. **PLEASE PRINT.**
