

## Application for APRI Dual Registration of Dogs from Other Registries

I hereby request that each dog whose copied registration papers are attached be registered with America's Pet Registry. By requesting APR privileges, I certify that:

CHECK  
ONE  
BOX  
IN  
EACH  
SET

- All the registrations submitted with this application are valid with the current registering agency.  
 These registrations are invalid with the current registering agency due to the reasons attached (submit a complete explanation for each transfer requested).
- I am in good standing with the current registering agency.  
 My registration privileges have been suspended with the current registering agency (submit a complete explanation; loss of privileges with another registry does not automatically exclude anyone from APRI privileges; each case is considered on its own merits.)
- I have never been convicted of animal cruelty in any local, state, or federal court.  
 I have been convicted of animal cruelty in a local, state, or federal court and am explaining fully in an attached statement.
- If submitted certificate is registered in your name, then dual registration is free.  
 If submitted certificate is NOT registered in your name, then dual registration is \$20. All transfer information, including signatures, must be completed.

This offer is restricted to dogs currently registered with another registration agency; it does not apply to registration applications issued by APRI. Certificates will be issued only in the name(s) shown unless the original and all transfers are supplied. **This offer of free registrations may be discontinued at any time without prior notice.**

Attached are copies of registrations from:  American Kennel Club  United Kennel Club  Other \_\_\_\_\_  
(use a different application for each registration service) **NOTE:** Pedigrees may be required to qualify for dual registration. Contact the APRI office for details.
