

## Why is my registration number invalid?

Your registration number may be valid, just not compatible with the online Dog Registration Form.

Here's a few items to pay attention to:

- The Dog Registration Form works with the example document listed on the page.
- The registration number HAS TO BE formatted as follows to be compatible with the online form:
  - A Letter
  - Two Numbers
  - Two Letters
  - Two Letters
  - Five Numbers
  - A Letter
- Example: A12 AB CD 31234A
- Forms ending in 'T' cannot be processed online.
- The first number in the last set must be a '3' to be processed online.
